For good and valuable consideration, the parties agree as follows:

- 1. ENTIRE AGREEMENT:** The following terms and conditions, the attached Schedule A, and, if applicable, the attached Purchase Order (collectively, the "Agreement") shall constitute the complete and exclusive statement of the agreement between College and Contractor with respect to the services purchased hereunder (the "Services"). The Agreement may be modified only pursuant to a written instrument signed by authorized representatives of both parties. The invalidity in whole or in part of any provision of the Agreement shall not affect the validity of other provisions. To the extent that Contractor's terms and conditions, if any, shall conflict with the Agreement, the latter shall control. Either party's failure to insist upon the performance of any term of the Agreement shall not be construed as a waiver of that party's present or future right to such performance and each party's obligations in respect thereto shall continue in full force and effect. The headings in the Agreement have been inserted solely for convenient reference and shall be ignored in its construction.
- 2. GENERAL PURPOSE:** The general purpose of this Agreement is for the Project entitled "_____". Contractor will perform duties as directed by _____. The surrounding facts and circumstances are more fully set forth in the attached Schedule A, incorporated herein.
- 3. TERM:** The term of this Agreement shall be from ____/____/____ until ____/____/____.

- 5. INDEPENDENT CONTRACTOR:** In performing hereunder, Contractor and its employees, agents, subcontractors and representatives shall be as independent contractors and not as employees or agents of College. All persons furnished or retained by Contractor in connection with this Agreement are so furnished or retained as Contractor's employees or agents. Contractor shall not transact business, enter into agreements, or otherwise make commitments on behalf of College unless expressly authorized in writing by College. Neither Contractor nor its employees, agents, subcontractors or

College shall not pay or withhold federal, state, or local income or other payroll taxes on behalf of Contractor or its employees, agents, subcontractors or representatives. Contractor agrees to report and pay all such applicable taxes. Contractor shall defend, indemnify and hold harmless College from and against any and all liability for the payment of taxes, interest and/or penalties, as well as damages and costs, including attorney's fees, in connection with any claim or finding that Contractor and/or its employees, agents, subcontractors or representatives are employees of College.

7. PAYMENT AND INVOICES:

- a. The College agrees to pay a maximum fee of _____ dollars (\$_____) for the Services rendered by Contractor hereunder, including all amounts already paid.
- b. Upon satisfactory completion of the Services, the College shall compensate Contractor up to maximum amounts listed above. An application for payment of fees and expenses, accompanied by proper documentation, including receipts, shall be submitted by Contractor to College upon completion of the work, said application to cover and include all fees earned and expenses incurred. Contractor shall be deemed to have waived its right to payment for any fees earned or expenses incurred if not included on the application. College reserves the right to require reasonable additional supporting documentation from Contractor. All applications for payment shall be on forms acceptable to or approved by College.
- c. College shall reimburse the following incidental out-of-pocket expenses:
 - i. Airplane travel for ___ person(s) (coach only), not to exceed \$_____.
 - ii. One rental car in an amount not to exceed \$_____ per day.
 - iii. Lodging for ___ person(s) for ___ night(s) not to exceed \$_____ per day.

 - v. Other as follows:

8. TERMINATION:

- a. College may terminate this Agreement at any time, in whole or in part, by written notice to Contractor. If such termination is for College's convenience, College, after deducting any amount(s) previously paid, shall pay for all Services rendered by Contractor, as well as any reasonable costs incurred by Contractor,

up to the time of termination but not including Contractor's lost profits. Under no circumstances shall Contractor be entitled to recover more than the price of the Services as stated in the Agreement. Upon receiving notice of College's termination for convenience, Contractor shall use its best efforts to reduce or mitigate any costs incurred in connection with the Services.

b. Either party may, without prejudice to any other rights or remedies provided at law, in equity or under this Agreement, by written notice to the other party, terminate this Agreement in whole or in part under any of the following circumstances:

- i. If the non-terminating party applies for bankruptcy, makes an assignment for the benefit of creditors, or is in receivership; or
- ii. If the non-terminating party fails to perform any of the terms of this Agreement and so fails to cure such failure within thirty (30) days after receiving notice from the terminating party; or
- iii. If the non-terminating party fails to make progress such that the terminating party has reason to question the non-terminating party's ability to perform and the non-terminating party fails to provide adequate assurance of its ability to perform within a period of thirty (30) days after receiving notice from the terminating party.

In the event College terminates this Agreement pursuant to this subparagraph b, Contractor shall also be obligated to pay any direct damages, including but not limited to all additional costs that College may incur in finding replacement Services, as well as any consequential and incidental damages incurred by College. In the event Contractor terminates this Agreement pursuant to this subparagraph b, College shall not be liable for consequential and incidental damages incurred by Contractor and in no circumstances shall College's liability exceed the price of the Services as stated in this Agreement.

c. Upon termination of this Agreement, College, in addition to any other rights or remedies available at law, in equity or under this Agreement, may require Contractor to transfer title to and deliver to College, in the manner and to the extent directed by College, any goods, plans, drawings, or other materials that Contractor has specifically produced or acquired for the performance of the Agreement ("Performance Materials"). Payment for such Performance Materials shall be at the price specified in this Agreement or as otherwise agreed upon by the parties.

9. FORCE MAJEURE: In the event that either party is unable to perform its obligations under this Agreement as a result of *Force Majeure*, neither party shall be liable to the other for direct or consequential damages resulting from lack of performance. "*Force*

- 10. OWNERSHIP:** College shall own all data, information and other work arising directly from Contractor’s performance hereunder. College shall at all times have access to review the ongoing work of Contractor for purposes of inspecting same and determining that work is being performed in accordance with the terms of this Agreement. Immediately upon termination of this Agreement for any reason, all such data, information and other work, in whatever form, shall be turned over to College.

Any works of authorship developed in the course of performance under this Agreement shall be deemed works-for-hire under federal copyright law and all ownership rights to such copyrightable works shall be the property of College. Should any works of authorship not constitute works-for-hire under federal copyright law, Contractor hereby grants, transfers, assigns and conveys to College and its successors and assigns, Contractor’s entire right, title, and interest in and to such works or any part thereof, including but not limited to the following rights: to reproduce; to prepare derivative works; to distribute by sale, license or other transfer; to perform publicly; to display; and to secure copyrights and renewals, reissues and extensions of any such copyrights in the United States of America or any foreign country.

Any patentable invention conceived or reduced to practice in the course of performance under this Agreement shall be the property of College. All trademark or other intellectual property rights arising directly from Contractor’s performance under this Agreement shall be the property of College.

Whether a copyright, patent, trademark or other intellectual property right shall be maintained or registered in the United States of America or any foreign country shall be at the sole discretion of College. Contractor agrees to cooperate fully with College in the preparation and execution of all documents necessary or incidental to the protection and preservation of the rights granted herein to College. Contractor warrants and represents that the Services provided hereunder will not infringe, individually or collectively, any copyright, patent, trademark or other intellectual property right of any third party.

- 11. COLLEGE EQUIPMENT:** All materials, tools, equipment and other property either furnished by College to Contractor or individually paid for by College (“College Equipment”) shall remain the property of College, but Contractor shall assume all risks

Upon completion or termination of this Agreement, Contractor shall promptly return all College Equipment in the condition in which Contractor received it, taking into account reasonable wear and tear.

12. CONFIDENTIAL INFORMATION: Contractor shall treat as confidential all non-public information disclosed by College in connection with this Agreement, including but not limited to written or oral communications, education records (as defined under the Family Educational Rights and Privacy Act of 1974 (FERPA)), personal data, plans, specifications, and other data (collectively, "Confidential Information"). The terms and conditions of this Agreement shall also be deemed Confidential Information. Contractor shall not disclose Confidential Information to any third party except as College authorizes, and shall only disclose it to those within Contractor's organization who need to use it in performance of the Agreement. Upon completion or termination of this Agreement, Contractor shall return or destroy all such Confidential Information (except for this Agreement), or otherwise dispose of it as College may approve. This provision is not intended to restrict Contractor's right to use or disclose information that is already known to the public or rightfully obtained without restriction from other sources. Contractor shall defend, indemnify and hold harmless College from and against any and all claims, demands, damages, liabilities, expenses, losses of every nature and kind, including but not limited to attorney's fees and costs, sustained or alleged to have been sustained by College as a result of any disclosure or use of any Confidential Information in violation of this Agreement.

COMPLIANCE WITH PRIVACY LAWS: In performing its work under the terms of this Agreement, Contractor shall abide by all applicable laws regarding privacy of information including, but not limited to, FERPA and the Health Insurance Portability and Accountability Act (HIPAA), as well as the College's applicable policies concerning such laws. Contractor agrees to enter into any and all additional terms necessary to address FERPA and/or HIPAA compliance.

The venue and jurisdiction for the resolution of any such disputes shall be in the State or Federal courts located in the state of New York.

However, the Contractor shall not be obligated to so indemnify College in the event College is proven to be solely negligent.

If any Claims alleging infringement of intellectual property rights, including but not limited to Claims of patent or copyright infringement or misappropriation of trade secrets, are brought against College, its officers, employees, trustees, agents and/or representatives in connection with College's use of any goods or materials that Contractor specifically produces for the performance of this Agreement, Contractor shall not only indemnify College, its officers, employees, trustees, agents and representatives as set forth above but also, upon College's request, shall procure for College the right to continue to use such goods or materials, or replace or modify such goods or materials, such that the alleged infringement is removed; provided, however, that such alleged infringement does not arise solely from College's alteration or modification of the goods or materials.

19. COMPLIANCE WITH SARBANES-OXLEY: To the extent that Contractor is a company regulated or covered by the Sarbanes-Oxley Act, as amended, compliance with Sarbanes-Oxley is a condition of doing business with College and failure to be in compliance shall be considered a material breach of the Agreement.

20. TAX EXEMPTION: The parties acknowledge that the College is a tax exempt entity. Contractor shall take all steps necessary to ensure that these exemptions are utilized to the maximum benefit of College.
