

Registration of voluntary agreement for child support

Use this form to register or make changes to a voluntary agreement.

Both parties to the agreement must sign this form.

Agreed payments will be collected from the liable parent and passed on to the receiving carer monthly.

If the receiving carer is on a sole parent benefit, you can only register a voluntary agreement if the amount is equal to, or more than, the amount payable under a formula assessment.

Parties to the agreement

- The parties are a receiving carer and a liable parent.
- By registering the agreement you are cancelling any formula assessment from the date we accept the form.
- If another person is a recognised carer of the child or children in a formula assessment, they must agree to cancel the formula. This can be done by all carers of the child completing a *Cancellation of child support (IR107)* form.

If a child doesn't have an IRD number, you'll need to apply for one. You can do this by completing an *Application for an IRD number – individual (IR 595)* form.

The agreement start date needs to be a date in the future. If you don't specify a future date we'll use the date we receive this form.

Your agreement must be:

- for a "qualifying child". This is a child who is under 18 years of age or 18 years of age and enrolled at and attending a registered school in New Zealand or an overseas school, a New Zealand citizen or ordinarily resident in New Zealand, is not financially independent and not living with another person in a marriage, civil union or de facto relationship
- for regular payments, and for at least \$10 per week (\$520 per year)
- signed by both the liable parent and receiving carer.

If you have a separate written agreement please attach a copy to this form.

Voluntary agreement details

If there are more than three children, please write their details on a separate piece of paper and write your name and IRD number at the top and attach it to this form.
