

Reference For Accommodation through *MyHomeChoiceFyldeCoast*

All new applications must include 2 suitable references. Examples of an acceptable person to supply a reference are, current or former landlords, employer, support worker or a professional person. References from friends or relatives cannot be accepted. Please ask for assistance if you are finding this difficult.

If you are an existing tenant of a partner organisation you do not need to provide references. Before an offer of accommodation is made a Housing Officer will visit you at your home to check that you have maintained your tenancy in accordance with the tenancy agreement, your rent account is clear and there have been no issues of Anti Social Behaviour.

Please complete your details and pass onto the person supplying your reference. Completed forms should then be forwarded to _____.
