

RETIREMENT ANNOUNCEMENT

DR. STUART LANE

The time has finally come for me to retire from general practice. I have been in Brentford for 25 years and yet the time has passed so quickly.

I will be retiring from full-time medical practice with many mixed emotions. I would like to thank all of you for giving me the opportunity to have had such a wonderful career and to have shared so many of your lives, in both good and difficult times.

It has been a great privilege to be a doctor in Brentford Group Practice and I will undoubtedly miss many aspects of day-to-day clinical practice but the time has come to move on.

I leave the practice in excellent hands. Many of you will know all the doctors here and I am pleased to let you know that we are taking on three further physicians to share what is an ever-increasing workload.

Hopefully my colleagues will invite me back to do the odd locum session so we may yet bump into one another; I hope so.

With many, many thanks to all of you who have been my patients.

STUART LANE
