

Moving out can be overwhelming and stressful, especially if it's your first time. You may not realize all of the items you'll need when relocating. We've compiled a new apartment checklist to help you make your apartment livable and homey. Items are categorized by sleep, clean, eat, wash, relax, organize, decorate and random to guide you through the basic necessities. We hope this apartment checklist helps make your move easy and stress-free!

Sleep
